

## GLF-413

### SPOT TREATMENT

GLF-413 is a spot treatment specially formulated for carpet cleaning. It removes carpet stains without damaging the fibers or leaving a sticky residue. It is also pleasantly scented and leaves a jasmine fragrance in the room after cleaning. This cleaner is compatible and safe for all types of carpet.

#### ENVIRONMENTAL BENEFITS

- No EDTA
- No phosphates
- No VOC
- No NPE
- Powerful, solvent-free formula

GLF-413-946S6

# GLF-413 SPOT TREATMENT

## DIRECTIONS FOR USE

Prepare the carpet by vacuuming to remove suspended particles. Spray all stains liberally with GLF-413 and allow product to soak into carpet for several minutes. Continue with carpet extraction cleaning.

## SAFETY REMINDER

Before using this product please ensure employees read and understand the product labels and Material Safety Data Sheet. Directions for use can be found on the label as well as the MSDS. Additionally, employees can find hazard warnings, precautionary statements and first aid procedures on the MSDS sheets. MSDS are available online at [greenlabscs.com](http://greenlabscs.com) or by calling 1-800-921-5527. Improper use may result in damage or injury.
