- Office buildings
- Supermarkets
- Restaurants
- Hospitals
- Long term care facilities

For Use On:

- Walls
- Floors
- Counters, tables and other hard surfaces
- Stainless Steel
- Grout
- Concrete

GLDI-H202 DISINFECTANT CLEANER FORMULATED WITH HYDROGEN PEROXIDE

GLDI-H202 Disinfectant cleans by removing tough soils such as dirt, grime, mold and mildew. GLDI-H202 Disinfectant reduces odor-causing bacteria, leaving surfaces smelling clean and fresh. Its non-abrasive formula is designed for use on hard surfaces associated with non-food contact countertops, wall, floors and restroom surfaces.

Cleaner:

One-Step Cleaner Disinfectant with powerful surfactant (detergents) simplifying cleaning saving time and money.

Responsible:

Designed to be easier on surfaces, people and animals. Users are not exposed to VOC's (volatile organic compounds).

Sustainable:

Hydrogen peroxide breaks down into water and oxygen reducing environmental impact and improving the environment.

Compatible:

Designed to be compatible with a wide range of materials, protecting your assets.
