

# Product Description

## PRODUCT DESCRIPTION

OVI-CHOC is an organic product. This product erodes grease and all other organic residue in drains, pipes and grease traps. OVI-CHOC also controls bad odors caused by the accumulation of decomposing organic matter.

## ENVIRONMENTAL ADVANTAGES

- Biodegradable
- Non-corrosive
- No noxious odors
- Does not damage surfaces or pipes
- Neutral pH
- Safe for the user

## AVAILABLE FORMATS

Code : OVICHOC-1  
Code : OVICHOC-4

Format : 1 L  
Format : 4 L

## HOW TO USE

OVI-CHOC is simple to use, simply pour 250 mL a day for 3 days down the drain, pipes and grease traps to be treated. Avoid running water for several hours to allow the product to act. For a preventative treatment, pour 250 mL of OVI-CHOC every week. Shake before using.
