GERMINIX-RTU CLEANER, DEODORIZER DISINFECTANT

FUNGICIDE, MILDEWSTAT,
BROAD SPECTRUM VIRUCIDE,
TUBERCULOCIDE

GERMINIX-RTU is a broad-spectrum virucidal hard surface disinfectant that is expected to inactivate the SARS-CoV-2 (The virus that causes COVID-19)

Description:

GERMINIX-RTU is designed specifically as a general non-acid cleaner and disinfectant for use in hospitals, nursing homes, schools, hotels and restaurants as well as for use in industrial and institutional food processing establishments, kennels, veterinarians and animal hospitals. It is formulated to disinfect hard non-porous, inanimate surfaces such as floors, walls, metal surfaces, stainless steel surfaces, porcelain, glazed ceramic tile, plastic surfaces, bathrooms, shower stalls, bathtubs and cabinets.

Directions for Use:

DISINFECTION, DEODORIZING AND CLEANING: Remove heavy soil prior to application of the product. Hold container 15-20 cm from surface to be treated. Spray area until it is covered with the solution. Allow product to penetrate and remain wet for 10 minutes. No scrubbing is necessary. Wipe off with a clean cloth, mop or sponge. The product will not leave grit or soap scum.

In addition, this product deodorizes those areas which generally are hard to keep fresh smelling, such as garbage storage areas, empty garbage bins and cans, basements, rest rooms and other areas which are prone to odours caused by microorganisms

This product may be used to pre-clean or decontaminate critical or semi-critical medical devices prior to sterilization or high-level disinfection.

See product label for full directions for use for one-step cleaning and disinfection of toilet bowls and urinals, disinfection of poultry equipment, animal quarters and kennels.

See product label for bactericidal, tuberculocidal, virucidal, mildewstat and fungicidal activity.

Safety Information:

Please read and understand product label and SDS before using. Label contains full directions for use; product label and SDS contain hazard precautionary statements, first aid procedures and storage & disposal information.
