

# Solopol® Lime

## Medium-Heavy Duty Hand Wash

### PRODUCT DESCRIPTION

Solvent-free hand cleaner with natural cornmeal scrubbing agents and refreshing light lime fragrance. Solopol® Lime is Ecologo™ certified.

### WHERE TO USE

For use in industrial environments to remove medium to heavy soiling.

### INSTRUCTIONS FOR USE

- Apply 1 dose before adding water to soiled hands
- Rub to loosen dirt
- Add a little water and continue washing
- Rinse well with plenty of water and dry thoroughly

Keep out of reach of children. If contact occurs with eyes, rinse with water. If swallowed, get medical help or contact a poison control center immediately.

FORMAT: **LOTION**

| FEATURES   | BENEFITS  |
|--|---|
| <b>Ecologo™ certified</b>                        | Provides customers with assurance that the product meets stringent standards of environmental leadership.   |
| <b>Effective solvent-free action</b>             | Utilizes a blend of mild cleaning agents to effectively remove a range of everyday ingrained industrial soiling such as oil, grease and general dirt and grime.   |
| <b>Contains natural cornmeal scrubbing agent</b> | Natural, non-abrasive and biodegradable cornmeal scrubbing agent gives a deep clean without damaging the skin or harming the environment. The scrubbing agent is easily rinsed away, preventing blocked drains and pipes. |
| <b>Refreshing light lime fragrance</b>           | Lime fragrance makes the product pleasant to use and leaves the skin smelling fresh.  |
| <b>Contains glycerine</b>                        | Skin moisturizers to help prevent drying, leaving the skin feeling smooth after use.  |
| <b>Soap-free formulation</b>                     | Formulated for frequent use to be gentle to the skin.   |
| <b>Silicone-free</b>                             | Suitable for use in any production sites where paint and surface coating processes are undertaken.  |

## Medium-Heavy Duty Hand Wash

### STATUTORY REGULATIONS

This product is regulated by and compliant with the Cosmetic Regulations in the Canadian Food and Drug Regulations of Health Canada. SC Johnson Professional products are produced and tested to ensure they meet the quality requirements for registration and/or approval by Health Canada.

### SAFETY DATA SHEETS

For Safety, Environmental, Handling, First Aid and Disposal information please refer to the Safety Data Sheet which can be downloaded from [www.debgroupp.com/ca/sds](http://www.debgroupp.com/ca/sds).

### SHELF LIFE

This product has a shelf life of at least 30 months from the date of manufacture when stored unopened at room temperature. For shelf life after opening: see indication on packaging.

### CERTIFICATIONS

#### Ecologo™ Certification

Solopol® Lime is certified according to the UL Ecologo™ Standard UL 2784.

Ecologo™ certified products, services and packaging are certified for reduced environmental impact. Ecologo™ certifications are voluntary, multi-attribute, lifecycle based environmental certifications that indicate a product has undergone rigorous scientific testing, exhaustive auditing, or both, to prove its compliance with stringent, third-party, environmental performance standards.

### QUALITY ASSURANCE

SC Johnson Professional products are manufactured in facilities which follow Good Manufacturing Practice (GMP) and/or Cosmetic GMP requirements.

All raw materials used for production undergo a thorough quality control process before being used for manufacturing in SC Johnson Professional's high quality products.

All finished goods are subject to intensive quality testing before being shipped out to our customers.

### PRODUCT SAFETY ASSURANCE

#### Skin Compatibility Test

Clinical dermatological tests have been conducted to assess the skin compatibility of the product using voluntary test persons in semi occlusive, 48 consecutive hour application models. These tests, as well as in practical use, have proven that the product has very good skin compatibility. Skin compatibility expert reports are available upon request.

#### Toxicological Approval

The product has been independently assessed for human toxicity and product stability. It is declared safe for intended use, meeting all relevant regulatory requirements.

**Do not store in food processing or food storage areas. For professional use only.**
