

WV 900 / 902

Wet / Dry Vacuums WV 900 | WVD 902 Key Features

- Structural foam construction is rustproof, durable and backed by a 10 year warranty
- The WV 900 features one 1200 watt vacuum motor, while the WVD 902 has two 800 watt motors for when more power is needed
- Both units feature a dump hose along with a unique tip and pour system for emptying the tank when a floor drain isn't available
- The wet shutoff assembly features a continuously rotating ball, staying clean and free from debris while protecting the motor
- Prolong motor life by adding a 13" floor pad to the top of the wet float creating a barrier that prevents foam or stripper from reaching the motor
- For wide-area cleaning and improved productivity (up to 10,000 sq. ft/hr), a 29" front-mounted squeegee can be fitted

WV 900 / WVD 902

A vapor barrier can be added to eliminate moisture completely

The unique tip and pour system allows the tank to be emptied even in the absence of a floor drain
