

# TECHNICAL DATA SHEET

## WET PAD MICROFIBER MOP - BLUE

- Added pattern made of polyester and polypropylene for added scrubbing power
- Tested to withstand 200 launderings in hot water (130F)
- Absorbent inner layers help hold enough solution to clean up to 250 sq feet
- Loop backing is made of 100% polyester and securely attaches to frame, even after laundering
- Double finished edges and colored edge tape help retain product shape over time and provide added durability
