

KÄRCHER

makes a difference

UNLIMITED MOBILITY FOR DEMANDING APPLICATIONS.

The first battery-powered wet and dry vacuum cleaner for professional requirements.

PROFESSIONAL | NT 22/1 AP BP

Compact, light and versatile.

Thanks to its powerful Kärcher Battery Power battery, our NT 22/1 Ap Bp battery-powered wet and dry vacuum cleaner also impresses in places without an external power supply for demanding wet and dry applications. The Kärcher Battery Power+ battery, which is protected from dirt and liquids by a flap, ensures high suction power and a long runtime of the vacuum cleaner. With its compact dimensions and low weight, transportation and handling are very simple – particularly also in tight spatial conditions and heavily frequented areas. The design of the flat machine head also means it can be set down on tools and boxes.

1 Low weight and compact dimensions

- The machine can be easily and conveniently transported and stored.
- Powerful 36V Battery Power+ battery with 7.5 Ah and fast recharge time (58-81 min)
- Long running time of 31 min with full suction power.

2 Powerful and practical

- Semi-automatic filter cleaning system guarantees constantly high suction power.
- Equipped with a space-saving flat pleated filter and electronic water shutoff and is therefore suitable for vacuuming liquids, coarse dirt and fine dust.
- 99.0% filtration efficiency.

Technical data and equipment.

NT 22/1 AP BP

TECHNICAL SPECIFICATIONS

Vacuum width, floor tool	in	12
Vacuum hose length	m / ft	1.9 / 6.2
Battery running time	min	31
Waste container capacity	gal	5.8
Operating noise level	dB(A)	71
Air flow rate	cfm	121
Waterlift	in of water	61
Max. power rating	watts	575
Weight	lbs	19.4
Dimensions (L x W x H)	in	15.9 x 14.6 x 19.7

EQUIPMENT

Order No.	Description
1.528-128.0	NT 22/1 Ap Bp L

ACCESSORIES

Order No.	Description
■ 2.445-075.0	Battery Power+ 36/75 battery
■ 2.445-053.0	Fast charger Battery Power+ 36/60
■ 2.889-199.0	Ergonomic bend
■ 2.889-218.0	Set suction tubes plastic
■ 2.889-263.0	Universal floor nozzle with parking position
■ 6.904-156.0	Flat pleated filter paper
■ 2.889-159.0	Crevice nozzle
■ 6.907-469.0	Fleece filter bag - 22 Liter
□ 2.889-175.0	Set suction tubes, 2 x 0,55m / 1.8 ft, stainless steel
□ 2.889-135.0	Suction hose 4.0 m / 13.1 ft
□ 2.889-134.0	Suction hose 2.5 m / 8.2 ft
□ 2.889-170.0	Ergonomic bend with soft grip
□ 2.889-152.0	Wide wet and dry floor nozzle with easily changeable inserts for wet/dry applications
□ 2.889-151.0	Connection adaptor for power tools
□ 2.889-136.0	Suction hose, 2.5 m / 8.2 ft static dissipative
□ 2.889-168.0	Ergonomic bend, with soft grip static dissipative
□ 2.679-000.0	Drilling dust nozzle
□ 6.907-649.0	Flat pleated filter PES
□ 6.906-108.0	Car cleaning nozzle

■ Included □ Optional
