

V5

## Compact Dry Canister Vacuum

- Clean noise-sensitive environments easily with ultra low noise level
- Trap small dust particles with optimal HEPA filtration system
- Glides easily from hard floor to carpeted floor surfaces, without tipping

You can rely on the Tennant V5 to powerfully clean the quietest spaces. Robust, stable body design resists tipping and ensures optimum cleaning performance on a variety of surfaces.

#### Carpet or hard floor

Clean tight corners and congested spaces on both carpeted and hard floor surfaces with this powerful, compact canister vacuum.

#### Extremely stable

The V5 is virtually tip-proof, balanced by optimal hose connection placement and low center of gravity weight displacement.

#### Single hand transport

Easily carry both the vacuum and wand with one hand; uniquely designed handle enables wand to be cradled in handle for easy lifting.

## V5 CANISTER VACUUM

### SPECIFICATIONS

Vacuum motor	120 V, 8.1 A
Vacuum bag	2.1 gal / 8 L
Filtration	99.99% @ 0.3 microns
Vacuum hose	8 ft / 2.4 m crush-proof hose
Airflow	103 cfm / 2.9 m <sup>3</sup> /min
Waterlift	89 in / 2,260 mm
Power cord	33 ft / 10 m
Sound level (operator ear)	65 dBA
Helpful tools	12 in / 300 mm combination hard/soft floor tool, three piece wand, crevice tool, upholstery tool, bristled dusting brush Optional 1.5 in / 38 mm tools available
