

# SoPure Gel Sanitizer

## 70% Isopropyl Alcohol:

SoPure Unscented Moisturizing Gel hand sanitizer contains the highest and purest ingredients to rid your skin and hands of viruses and germs.

## Extremely Moisturizing:

Enriched with Vitamin E and proprietary emollients, this unique product will keep skin soft, preventing hands from drying or cracking. Gentle Enough For Continued Everyday Use.

## Non-Sticky:

Gently sanitize your hands without leaving a sticky feeling behind. NO RESIDUE – Gently sanitize your hands without leaving residue behind.
